All of the data above reflects the total Needs for your Formula Area prior to the application of the population cap. Therefore, these figures may be much higher than the amounts shown on your Tribe's Formula Response Form. The IHBG regulations at 24 CFR §1000.336(d) requires that Tribes/Tribally Designated Housing Entities (TDHE) submit documentation supporting Census challenges by March 30th to be considered for the upcoming fiscal year (FY) allocation. The deadline to submit Census

challenges to the data used in computing the FY 2027 IHBG formula allocation is March 30, 2026. If you think these data do not reflect the Tribe's need:

76. Check to see if the Formula Area listed on your FY 2026 Formula Response Form is accurate. If corrections are needed, they must be submitted by August 1, 2025, for the FY 2026 allocation, or by August 1, 2026, for the FY 2027 allocation.
77. Check to see if the Formula Area for your Tribe overlaps that of another Tribe. If it does, you may wish to contact the IHBG Formula Customer Service Center to obtain detailed information on how the Needs data are being shared.
